Amended Text of Initiative for later Alcohol Sales
For the June 2006 Primary Election

The cutoff time for alcohol sales on weekend nights Friday, and Saturday will be 4am of the following day for all bars, restaurants, nightclubs, and on-site venues which sell alcoholic beverages. The cutoff time for alcohol sales the day before each state and federal holiday will be extended to 4am of the following day for the aforementioned establishments also. On state and federal holidays, the cutoff time will be 4am of the morning following the holiday, unless that day falls on a weekday (Monday through Friday).

The supreme governing body for each city and town shall have the authority to determine when alcohol sales for on-site establishments shall cease between the hours of 2 a.m. to 4 a.m. for each day of the week.

If any city or town's supreme governing body decides it does not wish for the alcohol sales cutoff time to be extended for on-site establishments to 4 a.m. on Fridays, Saturdays, the day before state and national holidays, and state and national holidays, that body may set the cutoff time from between 2 a.m., and 4 a.m. If any city or town's supreme governing body does not meet and decide that the alcohol cutoff time shall be earlier than 4 a.m. on Fridays, Saturdays, the day before state and national holidays, and state and national holidays, then the cutoff time for sales on those days will remain at 4 a.m. for those areas.

The supreme governing body for each city and town shall have the authority to determine the time in which an on-site establishment may begin selling alcoholic beverages again for each day of the week with the earliest time being 6 a.m., and the latest being 8 a.m.

The cutoff time for the sale of alcoholic beverages at off-site retail outlets such as supermarkets, gas stations, and mini-markets will remain at 2am.
